2024 Step Therapy Criteria

Please Read

This document contains information about our Step Therapy Criteria.

Step Therapy

In some cases, Medica Central Health Plan requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition Medica Central Health Plan may not cover Drug B unless you try Drug A first. If Drug A does not work for you, Medica Central Health Plan will then cover Drug B

Additional Resources to Help
